The Unofficial Guide to the DMV

This Web site was created to provide easy-to-access information and resources for all your Department of Motor Vehicles needs. Because government DMV sites can sometimes be confusing to use, we have developed this free and comprehensive guide for the average person to understand.

About DMV.ORG

Our DMV Guide provides you with all the information you could possibly need from the Department of Motor Vehicles office—and much more. All the details on driver's licenses, driving records and ID cards, as well as vehicle registrations, title transfers, bills of sale and smog checks, are all available right here.

DMV.ORG also offers information you wouldn't think of getting from the Department of Motor Vehicles. You'll find great rates on auto insurance.
